

Lexis® Library | Jordan Publishing complete menu

Access an extensive collection of family law titles including fully updated relevant legislation, forms, precedents and cases, as well as exclusive access to authoritative commentary and cases.

The complete menu provides all Jordan Publishing online content and includes highly regarded practical information from a wide range of practice areas including Company, Commercial, Employment, Private Client, Personal Injury, Insolvency and Civil Litigation. This includes textbooks, looseleaves, journals, court reference works and news services.

Key titles exclusive to Jordan Publishing include:

Gore-Browne on Companies

Gore-Browne on Companies is the definitive authority on company law. From constitution through to liquidation, it provides comprehensive answers to questions about directors' duties, share capital, mergers, insolvency and much more. In addition there is a regular bulletin tracking all the latest cases with related transcript, consolidated company law database and destination tables. Since 1873, Gore-Browne on Companies has kept solicitors and barristers at the cutting edge of company law and practice. As the Companies Act 2006 changes the legal landscape, this reliability matters more than ever.

Jordan Publishing Company Administration and Governance

An essential reference tool for in-house lawyers, company secretaries, directors, accountants and company secretarial service providers. Described as "an indispensable aid to the busy company secretary", Jordan Publishing Company Administration and Governance provides you with practical guidance in all the key areas of company administration and compliance, in a form that is easily accessible. Whether you need help on changing the accounting reference date of a company, choosing a name for a new venture or reviewing the company's insurance cover, this resource has it covered.

EU & International Employment Law

EU & International Employment Law is designed to assist employment lawyers and human resource professionals who require information about the employment practices of an unfamiliar jurisdiction. For each country covered, the work draws together, in sufficient detail for most practical purposes, the information necessary to make an informed decision.

Family Law Reports

Family Law Reports contain verbatim reports of every important Family Division, Court of Appeal, Supreme Court and European courts case, and also includes practice directions, covering the whole range of family law, public and private child law.

The Family Court Practice (Red Book)

The Family Court Practice covers the entire range of family business and contains all the essential materials you need to practise in the Family Court. It is fully updated to include the latest case-law, full coverage of new and amended legislation, Practice Directions and guidance. It also contains fully and expertly annotated statutes and rules together with scores of unique step-by-step procedural guides, which direct you effortlessly to the relevant rules and annotation.
